2015 CLUB CHAMPIONSHIPS

This year's Club Championship Finals took place at Broxbourne over the weekend, 18th and 19th April. There were many fine matches played, some results going with form and some not, which is always a good thing.

Highlight matches of the weekend were; the 65 semi-final where Aubrey Waddy overcame Barry Featherstone, in the 50 age category Marvin Rust beat Mark Hildred and Malcolm Gilham with a master class of age squash, won the Over 80 singles, from holder Wilf Mann.

Mandy Akin proved too strong for all the opposition winning the Ladies O'40 and O'50 titles, then the Ladies doubles with her partner Karen Hume.

Brian Phillips was probably the tiredest player there, with a total of 7 matches

over the weekend in the O'70 and O'75 age group singles and doubles, winning 3 titles and runner up in the 75 singles. Quote " I won't enter so many next year". Watch this space!

After the squash had finished we held the AGM. Tony McStravick said a few words on the passing of Brig. Michael Perkins and then the agenda was raced through in a matter of minutes.

The prize table bulged under the weight of crystal, the trophies were duly presented and the winners applauded.

The last 2 awards were then presented. Firstly, The Norman Hunt Trophy, which was given to George Aplin for his support of the Tournament over many years while travelling from the West Country. Finally, The Burrell Trophy was given to

the most surprised person present, Jane Belle.

Both awards rightly deserved.

Then close of events was marked as usual by the buffet, thanks go to Darren and his team for a fantastic spread of food.

The last mention should go to Karen Lane and the staff and members of Broxbourne.

Karen stepped in and sorted the whole weekend when we had to relocate from Colets, the bars staff supplied refreshment and the members didn't complain about us taking over their club for the weekend. Many thanks go to all of you.

GB VETS PARTY – HULL 14th MAY 2015

The GB Vets hosted a wine and beer party in the Jubilee Room at the University of Hull. This was by invitation of President Phil Ayton, Chairman Tom Hendry and the Committee. Delicious canapés were also served.

This was an excellent social event designed to bring together GB Vets members and their supporters and potential new members.

On display was Club merchandise and literature extolling the virtues of GB Vets membership. Hopefully this helped our current recruitment drive and further similar functions will be planned in the future.

Cheers!

A happy bunch

NATIONAL DOUBLES TOURNAMENT

As was mentioned in the Chairman's report at the AGM in April, Tom Hendry and Hon.Sec. Nigel Belle, are currently having discussions with ESR – Keir Worth Chief Executive and Mark Williams Director of Participation – to look at ways of establishing a National Doubles Tournament. Clearly there is much groundwork to be done before anything positive can be announced. Watch this space!

A PLEA FOR DOUBLES

...AND WHY ONE SHOULD AVOID THE PLAGUE OF YOUTH

The trouble with youth Oscar Wilde said was that it is wasted on the young. The same can apply to young squash players with their absence of knee bandages, anti-tennis elbow clamps etc they can become a real nuisance on court. One particularly despises their ability to pick up some of your very best shots and drill them back to a part of the court you were in some minutes ago but not now.

This is of course where doubles comes to the fore. Suddenly the game moves you back some 30 years as the court reduces dramatically to your half, mathematically do you immediately halve your age, perhaps not entirely?

The trick of doubles is of course the introduction of the confusion factor and this is where my partnership with young Belle has been such a revelation – neither he nor I have any idea where each is intending to hit the ball, so how can our opponents know? The slight flaw in this approach is that occasionally we hit it straight back to them and this is the moment where our hours of court training come into play as either Belle or me sprint (in the metaphorical sense) to the return and promptly hit the ball into the tin.

So words of advice on doubles, hit it once more than your opponents below the top line and above the tin, wear new energy absorbing shoes, to give you that advantage on take-off, try to remember who's turn it is to hit the ball, us or them, and avoid strong alcohol before playing but add immediately after the game finishes.

The GB Vets are going to have a good bash at reviving the doubles spirit and I hope my vital instructions as above will encourage many to consider a re-entry into the Amphitheatre of the doubles game and perhaps most of all enjoy more court time. Must go, the bar is open!

Regards,
ROBERT SMITH

— OLYMPICS 2020 —

There is still hope that squash will be included in the 2020 games in Tokyo.

The 'Tokyo Additional Event Programme Panel' have examined a further 26 IOC recognised International Federations, including WSF (World Squash Federation) and squash has made it to the last 8! Others on the shortlist are: Baseball Softball, Bowling, Karate, International Roller Sports, Sport Climbing, Surfing and Wushu.

A final decision won't be made until the 129th IOC session in Rio in August 2016.

THE 52nd AGM REPORT

The 52nd AGM took place at Broxbourne Sports Club on Sunday 19th April 2015 after the Club Championship finals. Main points:

1. The sad announcement that Brigadier Michael Perkins, who was our President from 1993 to 2001 died on 29th March. (See obituary on Page 8 of this Newsletter)
2. Healthy annual a/c's to 31st December 2014.
3. Chairman's Report covered a variety of topics including a) recruitment, especially amongst the 'younger' age groups b) increasing the number of friendly matches c) tours d) Festival of Squash e) expanding the Doubles game and finally a vote of thanks to his hard working Committee.
4. All officers of the Club were re-elected for 2015/16.
5. Any other business: A number of items were raised:
 - a) add squash shorts to the Club merchandise
 - b) advise members of which doubles rules apply during the Club Championships
 - c) sale of Club merchandise
 - d) helping or sponsoring playing members who have a disability.

All points to be raised at the next Committee meeting.

TAXI!

As a fellow squash player who enjoys a good night out I would like to share a personal experience with you about drinking and driving.

As you may know some of us have been known to have brushes with the authorities from time to time on the way home after a 'social session' with friends.

Well a couple of weeks ago I was out for an evening and had several pints followed by some good red wine. Feeling jolly I still had the sense to know that I may be slightly over the limit

That's when I did something that I've never done before – I took a taxi home. Sure enough on the way home there was a police road block but since it was a taxi they waved it past.

I arrived home safely without incident.

This was a real surprise as I had never driven a taxi before, I don't know where I got it and now that it's in my garage I don't know what to do with it.

Anon!

THOUGHT FOR THE DAY

If you can start the day without caffeine,
If you can always be cheerful, ignoring aches and pains,
If you can resist complaining and boring people with your troubles,
If you can eat plain food every day and be grateful for it,
If you can understand when your loved ones are too busy to give you any time,
If you can take criticism and blame without resentment,
If you can conquer tension without medical help,
If you can relax without liquor,
If you can sleep without the aid of drugs,

Then

you are probably the family dog.

OBITUARIES

BRIGADIER MICHAEL PERKINS CBE

It is with deep regret that we announce the death of Brigadier Mike who died on 29th March 2015 at the age of 83.

Mike was our President from 1993 to 2001 and those of you who bought a copy of 'Our First Forty Years', published in 2003, will have read about his many achievements in the squash world up to that time.

In summary, he started playing at prep school. In those days squash was not played during his time at Charterhouse, but he did play rackets and fives. He started playing squash in earnest when he was called up for National Service and then in the regular Army.

He went on to win the Army Championship eight times between 1953 and 1967 – 3 times as a Lieutenant, 3 times as a Captain, once as a Major and once as a Lt. Colonel. He played for England nine times from 1955 to 1958 and played for Great Britain in 1954. He later played for England in the Veteran and Vintage age groups and played for Surrey over many years.

Mike became a member of Vets Club of GB in 1981, was a very active Chairman then President during his time in office and supported our events right to the end. He had a charming personality, good sense of humour and was very easy to speak to. He loved mixing with those involved with sport and always encouraged us all to 'keep at it!'

A service of Thanksgiving took place at Christ's Hospital School on 24th May attended by well over 200 people. Mike Perkins will be sorely missed.

DENIS HILL

With grateful thanks to Mike Breckon, we have a short appreciation of Denis Hill, a GB Vets Member since 2004, who died recently: Denis played squash for many years, initially at Wimbledon Squash and Badminton Club and

later at Colets. He never aspired to be a great player but was always competitive and gritty on court and a gentleman off court. His peak achievement was certainly that of winning the Open Singles and the Over 45 Veteran's trophies at Colets Club in 1982. His other hobby was golf as a member of Wimbledon Park G.C. for nearly sixty years. Denis also played a number of years as a guest at the Jesters' Golf Day. In his later years he was a regular supporter of our finals weekends although he no longer played our game.

We are also saddened to hear of the death of **Anthony Bodie**.
